The Group recorded a loss before tax of RM16.23 million for this quarter as compared to a loss before tax of RM131.74 million in the immediate preceding quarter.

3. Current year prospects

In-Flight Catering and related services

The Corona Virus or Covid-19 which hit the world in early February 2020 have changed the landscape of the market entirely especially aviation and hospitality industries.

In-Flight catering division is expected to record a loss in Quarter 2 2021 as due to this Covid-19 implication. Most of the airlines had cancelled their flights with the Government instruction for Movement Control Order started in mid-March 2020.

It is expected for the aviation and hospitality industries to be able to recover in Quarter 2 2022 or even by late Quarter 3 2022.

Logistics and related services

The logistics segment continues to maintain its business volume and contribute positively to the group's financial position. This segment looking into expanding business models and expanding its operations, to streamline the cost structure become positive. This segment will continue the effort to acquire new customers and businesses to increase the revenue stream.
